

Agency: Commerce, Community and Economic Development**Grants to Municipalities (AS 37.05.315)****Grant Recipient: Gambell****Project Title:**

Gambell - Fire Hall Water Tank and Sewer Hook-up

State Funding Requested: \$ 60,000
One-Time Need**House District: 39 - T****Brief Project Description:**

Currently the firehall does not even have arctic boxes to be hooked up to the water system. Considering this is a firehall, this is a life safety issue.

Funding Plan:**Total Cost of Project: \$60,000**Funding Secured*Amount FY*Other Pending Requests*Amount FY*Anticipated Future Need*Amount FY*

There is no other funding needed

Detailed Project Description and Justification:

Considering the request is for hook up to water and sewer for a firehall, this is a critical life safety request. This is a fairly minimal amount until their water storage tank and water and sewer improvements are funded through the Village Safe Water Program, and which is currently on the Three Year Priority List.

Project Timeline:

They are prepared to begin work as soon as the funding is approved and provided to them.
